Bart Campolo Director of National Outreach The Telos Group

- The Telos Group was founded by a Palestinian Christian and an evangelical Christian
- Telos strengthens the capacity of American faith communities, and especially American evangelicals, to help positively transform the Israeli-Palestinian conflict.
- Their vision is security, freedom, and dignity for every human being in the Holy Land, which they believe can only be realized through a two-state solution supported by the United States.
- They are pro-Israeli, pro-Palestinian, pro-American, and pro-peace, all at the same time.
